SECURELY GROW YOUR MONEY WITH A CERTIFICATE OF DEPOSIT

A Certificate of Deposit, commonly known as a CD, is a type of savings account with a secure guaranteed rate for a disclosed term. One of the most attractive aspects of a CD is that it's a relatively safe investment for your money.

*APY (Annual Percentage Yield) is the actual effective annual yield after the compounding of interest/dividends.

‡Minimum account opening deposit of \$5000 new money required (funds not currently in an existing We Florida Financial account). Penalty will apply for early withdrawal. 13 month CD rolls over to a 12-month CD at maturity and the current APY at the time of rollover will apply to the new 12-month CD. Offer may be withdrawn at any time. Offer not valid after 9/30/2022
