We

Care About the Planet!

In honor of Earth Day, our Margate branch hosted a COVID-friendly drive-thru dedicated to collecting unwanted personal documents from the community. For every 2 lbs of shredded documents received, We Florida Financial, in partnership with One Tree Planted, would plant 1 tree. We are happy to say the turnout was a great success and we were able to collect 1,750 pounds worth of shredded documents which will result in planting 875 trees in Florida.
